

CV Axel Otto

As a financial expert, Axel Otto can look back on a wide range of demanding strategic and operative functions in business management: Prior to his appointment as CENIT CFO, Axel Otto acted as CFO for the internationally active, Bretten-based Seeburger AG from 2018 to 2023. The company is an established business integration and IT provider.

From 2011 to 2018, Axel Otto headed the finance division at Härter Stanztechnik, a leading manufacturer of tools, stamped products and metal/plastic components.

His activities also focused on financial affairs in his earlier positions, e.g. as tax consultant and manager at consulting and financial services companies as well as several years in the area of auditing at Deloitte Deutschland (2000-2005).

Axel Otto graduated in economics from the University of Cologne in 2000 and holds a degree in business administration.

In his position as CFO of the CENIT Group, Axel Otto is responsible for **finance/controlling, IT and human resources**.
